The book is divided into four parts. The first part, "The Pre-Colonial Era," examines the region's early history and the development of its major civilizations. The second part, "The Colonial Era," explores the impact of European colonialism on the region. The third part, "The Post-Colonial Era," examines the region's development since the end of World War II. The fourth part, "The Contemporary Era," examines the region's current challenges and opportunities.

An International History: Asia-Pacific Perspectives is an essential resource for anyone interested in the history of international relations in the Asia-Pacific region. The book is written in a clear and concise style, and it is packed with insights and analysis. It is a must-read for scholars, policymakers, and anyone who wants to understand the region's past, present, and future.
