Marley was born in Nine Mile, Jamaica, in 1945. His father was a white Jamaican and his mother was a black Jamaican. Marley grew up in poverty, but he was always surrounded by music. He began playing guitar as a child, and by the time he was a teenager, he was writing and performing his own songs.

In 1963, Marley joined the Wailers, a ska and rocksteady group. The Wailers released their first album, *The Wailing Wailers*, in 1965. The album was not a commercial success, but it did help to establish Marley's reputation as a talented singer and songwriter.

In 1972, the Wailers released their album *Catch a Fire*. The album was a critical and commercial success, and it helped to introduce reggae to a worldwide audience. Marley followed up *Catch a Fire* with the albums *Burnin'* (1973), *Natty Dread* (1974), and *Exodus* (1977). These albums further cemented Marley's status as a global superstar.
