### The Early Years

Borchert Field traces its roots back to 1950 when the Milwaukee Braves moved to the city from Boston. The ballpark was named after Braves owner William C. Borchert, a prominent Milwaukee businessman. In its early years, Borchert Field served as a vibrant hub for both baseball and entertainment. The Braves quickly became a fan favorite, with stars like Hank Aaron, Eddie Matthews, and Warren Spahn thrilling crowds with their exceptional play.

## **The Golden Age**

Borchert Field became synonymous with baseball excellence, attracting fans from across the country.

## **New Era, New Memories**

In 1970, the Braves left Milwaukee for Atlanta, but Borchert Field's legacy lived on. The Milwaukee Brewers took over the ballpark, bringing a new era of excitement to the city. Borchert Field continued to host memorable games, including a no-hitter by Juan Nieves in 1987.
