Synopsis

Curious George is back with another thrilling adventure, this time exploring the fascinating world beneath the sea! Join our beloved primate as he dons his scuba mask and plunges into the ocean's depths, discovering an array of vibrant marine life, enchanting coral reefs, and hidden underwater treasures.

Along the way, George encounters a friendly octopus, a playful sea lion, and a wise old sea turtle, who share their knowledge and stories of the

ocean's wonders. George learns about the importance of protecting this delicate ecosystem and the creatures that call it home.

With stunning illustrations that bring the ocean's beauty to life, Curious George Discovers the Ocean is an educational and captivating read for children of all ages. It sparks curiosity, fosters a love for nature, and encourages environmental awareness.
