The book is divided into three parts. The first part, "The Political Unconscious," explores the ways in which the unconscious mind shapes political life. The second part, "The Psychoanalytic Turn in Political Theory," examines how psychoanalysis has been used to critique and develop political theory. The third part, "New Directions in Critical Theory," explores the ways in which critical theory can be enriched by insights from psychoanalysis.

The book is a valuable resource for scholars and students of politics, psychoanalysis, and critical theory. It offers a unique and comprehensive exploration of the relationship between these three disciplines, and it provides a rich source of new insights and ideas.
