## Overview

The library was created by the American University School of Communication. It contains over 50,000 tweets, dating from Trump's first day in office to his last. The tweets are organized by date and topic, and they can be searched by keyword or hashtag.

The library is a valuable resource for researchers because it provides a comprehensive record of Trump's use of Twitter. The tweets offer insights

into his thinking, his policy agenda, and his relationship with the media and the public.

## **Content**

The tweets in the library cover a wide range of topics, including:

- Domestic policy
- Foreign policy
- The media
- The opposition
- His personal life

Trump's tweets are often controversial and provocative. He has used Twitter to attack his opponents, spread misinformation, and promote his own agenda. However, the tweets also provide a unique window into the mind of one of the most powerful people in the world.

## **Impact**

The Donald Trump Presidential Twitter Library has had a significant impact on American politics. The tweets have been used by researchers, journalists, and the public to understand Trump's thinking and his impact on the country.

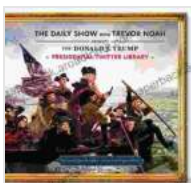

The library has also been used to hold Trump accountable for his words. The tweets have been used as evidence in court cases and have been cited by journalists to fact-check Trump's statements.
