Tom Schiller is a visionary filmmaker who has made a significant contribution to the world of comedy, drama, and social commentary. He is best known for his work on Saturday Night Live, where he directed some of the show's most iconic sketches. However, Schiller's career extends far beyond SNL, and his films have been praised for their originality, wit, and emotional depth.

Early Life and Career

Tom Schiller was born in New York City in 1952. He began his career in the entertainment industry as a stand-up comedian. In the early 1980s, he joined the writing staff of Saturday Night Live. Schiller quickly rose through the ranks, and within a few years he was directing some of the show's most popular sketches.

Schiller's sketches for SNL were often characterized by their sharp wit and social commentary. He was not afraid to tackle controversial topics, and his sketches often sparked debate and discussion. Some of Schiller's most famous SNL sketches include "The Coneheads," "Wayne's World," and "Celebrity Jeopardy!"

Feature Films

In addition to his work on SNL, Schiller has also directed several feature films. His first film, *The Coneheads*, was released in 1993. The film was a critical and commercial success, and it helped to launch the careers of Mike Myers and Dana Carvey.

Schiller's other feature films include *Wayne's World* (1992), *Stuart Saves His Family* (1995), and *The Cable Guy* (1996). These films were not as critically successful as *The Coneheads*, but they all have their share of fans.

Later Career

In recent years, Schiller has continued to work in the entertainment industry. He has directed episodes of several television shows, including *30 Rock*, *Parks and Recreation*, and *Unbreakable Kimmy Schmidt*. Schiller has also directed several short films and documentaries.

Schiller is a talented and versatile filmmaker who has made a significant contribution to the world of comedy, drama, and social commentary. His work is often funny, thought-provoking, and moving. He is a true visionary, and his films will continue to be enjoyed by audiences for years to come.
