An in-depth and personal exploration of the world's most mysterious and dangerous cults

Tribespotting: Undercover Cult Ure Stories is an in-depth and personal exploration of the world's most mysterious and dangerous cults. Award-winning journalist Eileen Barker and her team went undercover to infiltrate secret meetings, interview cult members, and witness the inner workings of these hidden societies. The result is a gripping and eye-opening account of the power and allure of cults, and the devastating impact they can have on individuals and families.

Barker has spent decades studying cults and new religious movements. She has written extensively on the subject, and is considered one of the world's leading experts. In Tribespotting, she shares her insights into the psychology of cults, their recruitment methods, and their impact on society. She also tells the stories of individual cult members, providing a glimpse into the lives of those who have been drawn into these dangerous groups.

Tribespotting is a must-read for anyone interested in cults, secret societies, or the darker side of human nature. It is a fascinating and thought-provoking book that will challenge your assumptions and leave you with a newfound understanding of the power of belief.
