Joss Whedon is one of the most successful and prolific creators in the history of television. His shows have won numerous awards and have been praised by critics and fans alike. But what is it that makes Whedon's shows so special? What is it that keeps us coming back for more?

In *Worlds of Whedon*, Whedon sits down for an exclusive interview with journalist Amy Pascale to discuss his career and his creative process. He talks about his influences, his inspirations, and his vision for the future of television. He also shares his thoughts on some of the most iconic moments in his shows, including the death of Buffy Summers, the Battle of Serenity, and the death of Angel.

Worlds of Whedon is a must-read for fans of Whedon's work. It is a fascinating and insightful look into the mind of one of the most creative and successful writers in television history.

In this book, you'll learn:

- The secrets behind the creation of some of the most iconic sci-fi shows of all time
- Whedon's thoughts on the future of television
- The inspiration behind some of the most memorable moments in his shows
